2. How do we know that the various schools, denominations and so on are getting a fair share each - is it for the Inspector of Schools to watch ?

3. It seems to be the custom here for Govt to be asked to pay half of everything, even to hadf the repair of pianos . Is this in accordance with a policy or is it just that they all ask for everything in the hope of getting something ?

Attention is invited to Articles 44 to 46 of the Code of Regulations for European Schools in the Civil and Military Station, Bangalore. The Inspector of Schools recommends the distribution of special grant to various schools according to their needs. Every application for a special grant should be dealt with by him on its merits and according to the funds at his disposal-Vide Art. 45 of the Code of Regulations. He should therefore see that various schools, denominations and so on are getting a fair share each.
